Your Journey to Employment in Canada

1. **Sign Up & Upload**
   Create your account and upload your documents, certificates and credentials.
2. **Assess & Coach**
   Complete a verified TestGorilla skills assessment and work one-on-one with your career coach.
3. **Your Portfolio Is Built**
   We create your ATS-ready resume, 2-minute video resume and credentials hub.
4. **Private Passcode Link**
   Your portfolio is protected with a private passcode and shared through one secure link.
5. **Employer Connections**
   Get matched with vetted Canadian employers, with support after placement.

Note: Timelines vary by candidate and employer. Your coach will keep you updated.
